Seesaw is an online learning platform that helps students, parents and teachers coordinate learning.

Spotlight on VCES

Teachers and staff members at Valley Crossing Elementary School value academic, social and emotional learning. VCES offers the district's Multiage Choice Program, in which teachers work with students for two years at a time, allowing them to develop deeper relationships. VCES is also home to the district's Gateway Program for gifted learners. Students are selected to join the Gateway Program based on test scores and referrals from school staff members.

Students at VCES have the opportunity to take part in fine arts such as art, band, choir and orchestra. Valley Crossing Elementary School also welcomes community involvement and hosts several community events during the year. The school also has an active and welcoming Parent Teacher Association (PTA).

“ ”
“At Valley Crossing, we believe social-emotional learning is just as important as academic learning. Our school, together with parents and community, provides and celebrates dynamic learning experiences which prepare children for a changing world.”
- **Connha Classon, VCES Principal**
